8. your company reply letter dtd:04.8.2015

With reference to the above subject your organisation is empanelled for supply of Dolomite input in 2014-15 rate contract (ref-1) under the departmental subsidy programme. A report has been received from Joint Director of Agriculture Kodagu district stating that, M/s. Nagarjuna Agro Chemical Pvt. Ltd, Hyderabad had supplied 744 Tons of dolomite during March 2015. Out of that 4 samples (2 samples from Virajpet & 2 samples from Somawarpet) were drawn and analysed. The analytical report (ref-6) found that calcium per cent was 14.6%, 13.5%, 14.8% & (18.9%CaO) as against 20% and Magnesium per cent was found to be 1.0%, 1.5%, 1.8% 1.0% and (1.8%MgO) as against 12% of standard specified in the Tender document. This shows that your organization had supplied non standard dolomite to Kodagu district.

Based on the analytical report Assistant Director of Agriculture, Somawarpet and Virajpet had issued show cause notice vide ref-4 & 5, to you and directed to furnish the explanation within a week failing which it would be referred to higher authorities to take stringent action as per tender document of rate contract. Further, a showcause notice(ref-7) was issued from this office for violating the terms and conditions of the tender document and instructed you to furnish your explanation for the same.

It is observed that the reply given by your company is not acceptable as there is clear evidence of low quality of dolomite supplied. So the company has violated deliberately the tender conditions of the rate contract order clause 32, 48 & 53. Hence with the powers vested in the tender condition there in you have been disqualified from all departmental supplies and black listed for a period of three years, besides forfeiting your EMD to the department as per the tender condition No. 53.
